TEAM AND ACTION SPORTS PHOTOGRAPHY

There will be a \$2.00 per team player fee due at time of photo session. Session fee includes team and individual images and up to an hour of action shots. All images will be able to be viewed online on a secure site. A link to that site will be sent out to the coach after they are uploaded. There are two options for ordering. You may view the images online and pay by credit or debit card. Or view images online and use order form. Turn in orders to the coach within 7 days of photo session. You may select 2 poses per package, but you must keep the same pose per size. If you have any questions, please feel free to call or send an email.

Note: The file number for ordering is located in the bottom left corner of online site.
